Subject: Coal Ash Beneficial Use Follow-Up
Attachments: 2017 Production and Use Charts.pdf; News Release - Coal Ash Production and Use 2017.pdf

Many thanks to everyone who was able to meet with Tom Adams and me yesterday for a briefing on the 2017 Coal Combustion Products Production and Use Survey results that were announced yesterday. Attached please find a digital copy of the news release we provided, as well as some additional charts showing production and use trends since the early '90s.

Please let us know if you have any follow-up questions.

All the best!
